

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. ## **Constitution.**

---

IT is the duty of every member of the Club to make himself familiar with its laws and rules, and ignorance thereof shall never be admissible in excuse for any breach or neglect of the same.

### **I.**

#### **DESIGN OF THE CLUB.**

THE SOMERSET CLUB is established in the City of Boston for the promotion of social intercourse. The number of immediate members shall not exceed seven hundred, except as provided in Article XII; and no person shall be permitted to use the Club House, except as allowed by the Constitution.

### **II.**

#### **GOVERNMENT.**

The government and management of the Club shall be confided to the President, Treasurer, and Secretary, and twelve other members of the Club, who shall together constitute the Executive Committee. The President, the Treasurer, and the Secre-

tary shall be chosen by ballot at the regular Annual Meeting of the Club for the term of one year. At the Annual Meeting in April, 1896, there shall be chosen four members of the Executive Committee for the term of three years, four for the term of two years, and four for the term of one year; and at each Annual Meeting thereafter there shall be chosen four members of the Executive Committee for the term of three years. These officers shall be elected by ballot at the Annual Meeting of the Club, and shall hold office until their successors shall be chosen and accept office.

If the office of the President shall become vacant, the Executive Committee shall cause to be called a special meeting of the Club to fill the same. All other vacancies shall be filled by the Executive Committee.

### III.

#### **EXECUTIVE COMMITTEE.**

The Executive Committee shall have the management and control of the Club and of its property, subject to the Constitution and to the provisions of the Indenture of Trust, dated May 18, A.D. 1871, and recorded with Suffolk Deeds.

The Committee shall enforce observance of the Constitution and of all rules that it may make from time to time for the welfare of the Club; shall authorize all such contracts, purchases, and payments

as it shall deem necessary or proper, and shall exercise entire superintendence of the interests and affairs of the Club.

It shall make such rules as to the use of the Club House and the management thereof as it may find expedient from time to time, and as shall be consistent with the Constitution. It shall control the expenses and charges of the Club, authorize the employment of such assistants and servants as it shall deem expedient, and receive and redress complaints, provided the same be properly made to it in writing.

It shall be the Committee for the election of members of the Club.

There shall be stated meetings of the Executive Committee in the first half of each month, as the Committee from time to time may fix, except July, August, and September, and special meetings whenever summoned by the President, or by any two members of the Committee. A quorum of the Executive Committee for all purposes except for the election of members shall be eight.

Any member of the Executive Committee, other than the President, Treasurer, or Secretary, who shall be absent from the stated meetings for three consecutive months shall be held to have resigned, and his place shall be treated as vacant.

Notice of every meeting of the Executive Committee shall be given to each member thereof, personally or by mail, at least twenty-four hours before such meeting.

## IV.

## DUTIES OF THE PRESIDENT.

The President shall preside at all meetings of the Club and of the Executive Committee. In case of the absence of the President, or of a vacancy in the office, his duties shall be discharged by a chairman *pro tem.*, to be chosen by the Committee.

The President shall be exempt from the regular annual dues.

## V.

## DUTIES OF THE TREASURER.

The Treasurer shall hold the title to the property of the Club (other than wine and liquor, which shall vest in the Club for the use of its members), except as it may be subject to the Indenture mentioned in Article III., in trust for the members; but no person shall be entitled to any interest therein after ceasing to be a member.

The Treasurer shall keep the accounts and have charge of all the funds of the Club, and shall collect all dues and make all payments. He shall keep a record of the certificates of indebtedness mentioned in said Indenture, and of all transfers thereof. He shall keep a correct list of the members of the Club. He shall render a statement of the accounts of the Club at each Annual Meeting and whenever else requested to do so by a vote of the Executive Committee or of the Club.

In case of the absence of the Treasurer or of vacancy in the office, his duties shall be discharged by a Treasurer *pro tem.*, to be appointed by the Executive Committee. The Treasurer shall be exempt from the regular annual dues.

VI.

DUTIES OF THE SECRETARY.

The Secretary shall keep a record of all the meetings of the Club, and of the proceedings of the Executive Committee, and shall conduct the correspondence of the Club. He shall give notice of all meetings of the Club and of the Executive Committee, and shall be exempt from the regular annual dues.

VII.

ELECTION OF MEMBERS.

Election of members of the Club shall be made by the Executive Committee at meetings called for the purpose; ten members at least being present, and one adverse vote in every five cast excluding.

Every person to be eligible shall be at least twenty-three years of age, and shall have been recommended in a writing, filed with the Secretary, by two members of the Club; and his name and residence, and the names of his sponsors, shall be posted on the Notice Board for at least two weeks immediately preceding that meeting of the Executive Committee at which his name is to be considered.

## VIII.

### ENTRANCE FEE.

Upon the election of every member the Secretary shall notify him thereof, and furnish him with a copy of the Constitution. Every person thus elected must, within sixty days after receipt of notice of his election, pay to the Treasurer an entrance fee of two hundred dollars, and, except as provided in Article XII, the proportionate part of the semi-annual assessment for the unexpired half of the current Club year, reckoning from the first day of the month in which his election took place. Provided, however, that any former member of the Club whose resignation has been accepted may rejoin the Club by payment of one-half the entrance fee upon his reëlection. Until these payments shall have been made, he shall not become entitled to the privileges of the Club; and if these payments shall not have been made upon the expiration of sixty days next succeeding his receipt of the notice aforesaid, his election shall, except as provided in Article XII, be thereby rendered void and of no effect, and he shall lose his right of membership.

## IX.

### RESIGNATIONS.

Any member may withdraw from the Club, after payment of all dues, by giving written notice of his resignation to the Secretary, and such written resigna-

tion shall operate as a release and assignment of all his interest in the Club property.

If a resignation be not received prior to April 1, the member shall be liable for the dues of the ensuing year, except that in the year 1915 a member shall not be liable for the dues of the current Club year if his resignation be received prior to noon of the first day of June.

## X.

### HONORARY MEMBERS.

Honorary members may be elected for a term of one year, by unanimous vote, at an Annual Meeting, and shall be exempt from entrance fee and assessments, but shall have no vote in the proceedings of the Club, nor any interest in its property. No person shall be so elected unless his name shall have been posted on the Notice Board fourteen days previous to such meeting.

The Executive Committee may elect as Honorary Members, for a term of one year, and thereafter for terms of one year each, officers of the United States Army and of the United States Navy for the time being on permanent duty in Massachusetts.

## XI.

### ARMY AND NAVY MEMBERS.

Any officer of the Army or Navy of the United States, on duty within the New England States,

may be admitted to the use of the Club, in the manner provided for the election of members, upon his paying half the annual assessment; which shall entitle him to the privileges of membership for six months; and a like sum in advance for each additional term of six months, or part thereof, during which he shall so remain on duty and continue to use the Club; but shall have no vote in the proceedings of the Club, nor any interest in its property.

## XII.

### WAR SERVICE MEMBERS.

1. Any member who, by reason of public service, military, naval, or otherwise in connection with the conduct of any war waged by the United States of America, is prevented from using and enjoying the privileges of the Club shall, on written notice thereof to the Treasurer and with the consent of the Executive Committee, be excused from the further payment of annual dues during the period of such prevention.

2. Such member shall thereafter be designated as a War Service member.

3. A War Service member may at any time permanently resume the use and enjoyment of the privileges of the Club by notifying the Secretary in writing of his desire so to do. In the event of the permanent termination of his public service, or whenever it ceases to prevent his use and enjoyment of the Club, he shall immediately give such notice

to the Secretary and if not so given, it may be given in the name of such member by the Executive Committee.

4. A War Service member who has given the notice specified in the preceding paragraph shall pay the proportionate part of the annual dues for the unexpired half of the current Club year, reckoning from the first day of the month in which his notice was received by the Secretary. A bill for such dues shall be sent by the Treasurer, and if such dues have not been paid to the Treasurer, or left at the office of the Club for the Treasurer, within sixty days from the date of the mailing of said bill, such member shall cease from that time to be a member of the Club.

5. War Service members shall not be considered "immediate members" under Article I. of this Constitution.

6. An immediate member who becomes a War Service member, as hereinbefore provided, shall be deemed to have created a vacancy in the number of immediate members.

7. A War Service member shall become an immediate member by giving notice, as provided in paragraph three of this Article, and if the number of immediate members is thereby increased to more than seven hundred, the provisions of Article I. of this Constitution, limiting the number of immediate members, shall be temporarily inoperative, but no immediate members shall thereafter be elected to the Club

until the number of immediate members shall be less than seven hundred.

8. War Service members who, by reason of leave of absence from their service or other cause, desire temporarily to use the Club shall, upon giving notice in writing to the Secretary, enjoy such privileges, and for such time and under such rules, as may be determined by the Executive Committee.

### XIII.

#### CLUB DUES.

The Executive Committee shall at a meeting to be held in March of each year determine the annual dues for the year beginning on the first day of April following this meeting, provided however, that such annual dues shall never exceed one hundred and seventy-five dollars. The annual dues shall become due and payable on the first day of April of each year, but any member may pay one-half thereof in April and one-half thereof in October in each year. All bills for the annual dues shall be delivered to the members liable therefor, or sent to them through the postoffice, or left at their place of business or residence.

On the first day of May and on the first day of November respectively, the Treasurer shall send to all members whose semi-annual payments of annual dues are then unpaid a notice calling their attention to the fact. On the twentieth day of May and on the twentieth day of November respectively, a list of all members then delinquent shall be posted in a conspicuous

place in the Club House, and, unless sooner paid, kept there until the first day of June or the first day of December following; and all members whose semi-annual payments of annual dues have not been paid to the Treasurer, or left at the office of the Club for the Treasurer, by noon of the first day of June or by noon of the first day of December next after such payments become owing, shall, by virtue of that fact, cease from that time to be members of the Club.

All other dues shall be payable within one week after the expiration of the month in which they are incurred.

It shall be the duty of the Superintendent, upon the fifteenth day of each month, to post in some conspicuous place in the Club House the names of all members whose dues (other than the annual dues) are then unpaid, together with the amount due from each member, there to remain until paid; and if, at the expiration of the last day of said month, any such member has not paid his dues (other than the annual dues) to the Club, the Treasurer shall direct that he shall receive no further credit until said dues are paid.

A member failing to pay an amount due the Club (except the annual dues) one month after notice of the debt and a request to pay the same, shall be liable to have his membership forfeited at a regular meeting of the Executive Committee by an affirmative vote of at least eight of its members.

## XIV.

## STRANGERS.

The term "strangers," for the purposes of this article, shall be construed to include persons not having a customary place of residence or of business or study in the city of Boston, or within twenty miles therefrom.

1. No member of the Club shall be allowed to have more than two introductions in force at any one time.
2. All strangers introduced to the Club are requested, if they have cause of complaint, to make the complaint in writing through their sponsor.
3. Any member introducing a stranger shall be held responsible for the payment of all debts or liabilities to the Club that may be incurred by such stranger.
4. The Executive Committee may exclude any stranger, whenever they may conceive it for the good order or welfare of the Club to do so.
5. No stranger, unless he be admitted for six months, shall be permitted to give any entertainment in the Club.
6. No stranger shall give any money or gratuity to the servants.
7. No stranger may introduce a stranger.

*First. — Seven Days.*

Strangers may be introduced by members for a period not exceeding seven days. The names and places of residence of such strangers and members shall be recorded in a book kept for that purpose; provided however, that no stranger shall be again admitted to this privilege within thirty days from the expiration thereof.

*Second. — Thirty Days.*

The Executive Committee or the President may, at the request of any member, issue written invitations to strangers for a period of thirty days, and may renew the same at discretion.

*Third. — Six Months.*

The Executive Committee may introduce strangers, residing as aforesaid, to the Club, as follows: Said strangers to pay in advance one-half the annual dues as at that time determined under Article XIII; after which payment to enjoy the privileges of the Club House for the term of six months.

## XV.

## ENFORCEMENT OF RULES.

In case of infraction of the Constitution or any rule of the Club by any member, or of any conduct on the part of any member which in the opinion of the Executive Committee may tend to endanger the good order, welfare, or character of the Club, the Committee shall have power to suspend or expel

the member thus offending, notifying him in writing to that effect, and specifying the reasons therefor.

Any member thus notified shall have the right of appealing to the Club for revision of the action of the Committee and reinstatement as a member, but shall not enjoy the privileges of the Club until the decision of the Committee shall have been reversed by a majority of the votes at the special meeting hereinafter mentioned. In order to prosecute such appeal, the appellant shall give written notice of his wish so to do, serving the same on the Committee not less than ten nor more than fifteen days next after receipt of the aforesaid notice from the Committee. It shall then be the duty of the Committee to call a special meeting of the Club for the purpose of hearing and taking action upon said appeal, said meeting to be held not less than ten nor more than thirty days after the Committee shall have received notice from the appellant of his wish to appeal. The appellant shall have the right to be present and to be heard at such special meeting of the Club.

## XVI.

### MEETINGS OF THE CLUB.

There shall be an Annual Meeting of the Club in the Club House on the last Tuesday of April in each year, and a preparatory meeting on the last Tuesday in March.

Special meetings shall be ordered by the President

whenever he shall think fit, or whenever he shall be requested in writing so to do by any fifteen members of the Club, or by any five members of the Executive Committee. Every such request shall state the object for which the meeting is desired; and no business, unless relating to such object, shall be in order at such meeting.

At the annual and preparatory meetings, any business may be transacted, except that no appeal shall be heard under Article XV, except according to the provisions of said article, and that no alteration of the Constitution shall be made, except as provided in Article XIX.

A quorum of the Club at the Annual Meeting, or at any meeting at which a proposed change in the Constitution is to be acted upon, or at any meeting called to act upon an appeal under Article XV, shall be forty members.

## XVII.

No voting by proxies shall be allowed, except upon questions requiring the vote of a majority or greater number of all the members of the Club for the adoption of the same.

## XVIII.

### NOTICE OF MEETINGS OF THE CLUB.

Notice of every meeting of the Club shall be posted on the Notice Board at least ten days before

such meeting. At least ten days' written or printed notice of every special meeting of the Club, stating the object thereof, shall be sent by mail to every member; and notice of the Annual Meeting shall be given in the same manner. But three weeks' written or printed notice shall be given if any amendment to the Constitution is to be acted upon at any meeting.

## XIX.

### AMENDMENTS.

A quorum for the amendment of this Constitution shall consist of not less than forty members; and when such quorum is present, this Constitution may be amended by a two-thirds vote of those present and voting at any annual or special meeting, provided the proposed amendment has been posted in the Club House, and mailed to each member of the Club, directed to the last address furnished by him, at least three weeks before the meeting at which the amendment is to be considered.

## XX.

### COMPLAINTS.

Any member wishing to complain of any act of neglect or impertinence on the part of a servant, or of any matter relating to the restaurant or other departments of the Club, must make his complaint in writing to the Executive Committee, whose duty

it shall be to attend to the same. No complaints or suggestions addressed personally to any officer of the Club will receive attention; all such must be preferred to the Executive Committee, and must be in writing.

**XXI.**

**AUDITING AND NOMINATING COMMITTEES.**

At the preparatory meeting in March in each year, an Auditing Committee shall be appointed, to audit the accounts of the Treasurer and to report at the regular Annual Meeting in April following.

At said March meeting a Nominating Committee shall also be appointed, whose duty it shall be to nominate candidates for such offices as are to be filled at the Annual Meeting in April following, and who shall make their report of nominations by posting the same in the Club House at least two weeks before said Annual Meeting.

**XXII.**

**GUESTS.**

Members may invite gentlemen who are not members of the Club to private entertainments, in such rooms as may be designated for that purpose by the Executive Committee; and may introduce ladies to such rooms as may be appointed by the same Committee.

No member giving a private entertainment shall

allow the publication through the public press of any proceeding thereat.

### XXIII.

#### GRATUITIES FORBIDDEN.

No member or stranger shall be allowed to give, under any pretence whatsoever, money or any gratuity to any one in the employ of the Club.

### XXIV.

Any person who shall take away from the premises any property whatsoever belonging to the Club shall be obliged to replace the same, and shall also be liable to expulsion or suspension by the Executive Committee.

In case of any destruction, defacement, or injury of any property belonging to the Club, the person causing it shall pay the cost of replacing or repairing the same, unless the Executive Committee shall remit his obligation to do so.
